## **CPCA Congratulates New California State Senate pro Tem McGuire** *Health Centers Look Forward to Working with McGuire in New Role*

**Sacramento** – California Primary Care Association President and CEO, Francisco J. Silva, Esq. releases a statement congratulating Senator Mike McGuire on becoming the new California State Senate President pro Tempore:

“Congratulations to Senator Mike McGuire (D-Healdsburg) on becoming the 52<sup>nd</sup> President pro Tempore of the California State Senate. In his tenure as a state senator, pro Tem McGuire has been a champion for community health centers and ensuring access to healthcare for all Californians, especially those in rural communities. We look forward to strengthening our partnership in his new role. Together, we can continue to make great strides for the communities that health centers serve across our state.”

###

### **About the California Primary Care Association**

The California Primary Care Association (CPCA) represents more than 1,276 non-profit community health centers that provide care to more than 7.7 million patients each year. Community health centers (CHCs) are committed to providing comprehensive, high quality health care to everyone who walks through our doors, in a compassionate and culturally sensitive manner. CHCs include federally qualified health centers (FQHC) and FQHC look-a-likes, community clinics, free clinics, rural health clinics, migrant health centers, Indian health service clinics, and family planning clinics. Services include comprehensive primary and preventive care, women’s health, dental, mental health, substance use treatment, health education, outreach and enrollment, pharmacy and more.
