CPCA Applauds the Appointment of Laphonza Butler
Laphonza Butler's Leadership Experience will lead to her Success

Sacramento – The California Primary Care Association (CPCA) President and CEO Francisco J. Silva issues a statement on the appointment of Laphonza Butler to the Senate:

“CPCA applauds Governor Newsom's appointment of Laphonza Butler to the US Senate. Laphonza Butler has demonstrated a tireless dedication to improving the wellbeing of all Californians. Her longstanding commitment to ensuring equitable access to health care and social justice embody the type of leadership that will result in meaningful change through her work in the Senate. Her ability to foster collaboration and inspire others will undoubtedly enhance the lives of all Californians. We extend our congratulations to Laphonza Butler and look forward to working collaboratively with her on behalf of all Californians in the the US Senate.”

About the California Primary Care Association

The California Primary Care Association (CPCA) represents 1,276 non-profit community health centers that provide care to more than 7.7 million patients each year. Community health centers (CHCs) are committed to providing comprehensive, high quality health care to everyone who walks through our doors, in a compassionate and culturally sensitive manner. CHCs include federally qualified health centers (FQHC) and FQHC look-a-likes, community clinics, free clinics, rural health clinics, migrant health centers, Indian health service clinics, and family planning clinics. Services include comprehensive primary and preventive care, women’s health, dental, mental health, substance use treatment, health education, outreach and enrollment, pharmacy and more.
